3)	Prerana Programs
4)	Communications at Prerana
5)	Monitoring and Evaluation at Prerana
6)	A Snapshot of the Year Gone by
7)	Visitors to Prerana
8)	Collaborations
9)	Interns and Volunteers
10)	Financials

## **ABOUT PRERANA**

Prerana pioneered a path-breaking model to end intergenerational trafficking for prostitution. This model consists of 3 interventions – Night Care Centre (NCC), Education Support Program (ESP) and Institutional Placement Program (IPP). Prerana's model is nationally and globally recognized as one that has a successful track record and one that is replicable in any red-light area setting.

For over three decades, Prerana has been deploying the interventions in some of the largest red-light areas in Mumbai and Thane districts.

Over the past few years Prerana has also taken into account the broader group of children-at-risk, whose vulnerabilities have a correlation with children from the red-light areas. In particular are our initiatives – Aarambh and Sanmaan that look at issues related to child sexual maltreatment and children in beggary.

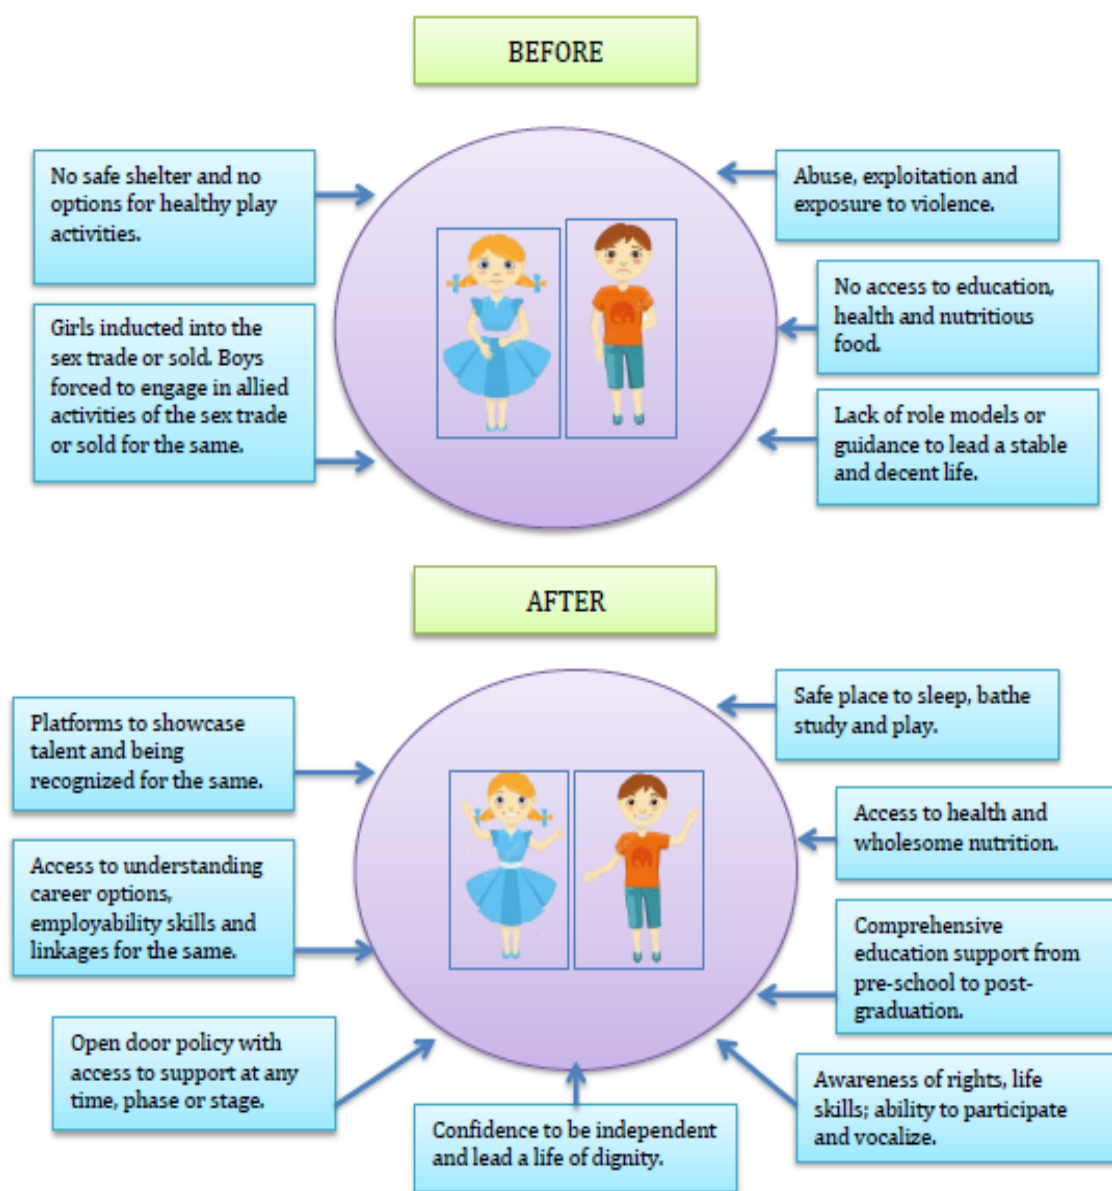

### **Our Mission:**

Prerana works to end intergenerational sex trafficking and to protect women and children from the threats of sexual and overall exploitation by defending their rights, restoring their dignity providing a safe environment, supporting their education and health and leading major advocacy efforts.

### **Our Vision:**

We want to see a world where the innocence, weakness, and vulnerability of any human being is not exploited by others for commercial sexual exploitation and trafficking, the world is free of trade in human beings for sexual slavery, every child born leads a life full of options and enjoys a right to choose, a victim of commercial sexual exploitation and trafficking is not re-victimized but has a fair chance of social recognition and the society becomes more compassionate to the victims and intolerant of injustice.

Following is an at a glance view of the situation (in context with children), before and after Prerana intervened –

## **THE GOVERNING BOARD**

Prerana's Governing Board constituted of the following members -

SR. NO	NAME OF THE MEMBER	DESIGNATION
1	Mr. Suvalal Singhvi	Chairperson
2	Mrs. Farida Lambay	Trustee
3	Mrs. Priti Patkar	Executive Secretary
4	Dr. Girish Kulkarni	Trustee
5	Mr. Anil Gawde	Trustee
6	Ms. Rupal Shah	Trustee
7	Ms. Seema Sood	Trustee

***During the reporting period, the Governing Board members of Prerana, formally met on 3 occasions.***

## **PRERANA PROGRAMS**

Following is an overview of Prerana's programs:

### **PRERANA'S NIGHT CARE CENTRE PROGRAM (NCC)**

The NCC program was initiated as a response to an expressed need of the prostituted women in the Kamathipura red light area. The NCC is typically a space where children are taken complete care of so that they are protected against the dangers of abandonment, getting trafficked in to the sex trade as also from the deeply traumatizing and inappropriate exposures in the brothels during the nighty hours. The NCC provides services such as – safe, secured, and professionally supervised nightly shelter for sleeping, wholesome nutrition, professionally designed and delivered recreation, leisure, education support, safe sanitation options, and opportunities for skills development, awareness sessions and an overall platform for holistic personality development and growth. Prerana has set up 4 NCCs, which are located in/near the red-light areas of Kamathipura (2 centers), Falkland Road and Vashi-Turbhe Stores.

Following table indicates some important statistics of the NCC Program for the year 17 - 18

	<b>NCC 1 – KP</b>		<b>NCC 2 – FR</b>		<b>NCC 3 – VT</b>		<b>BOYS NCC</b>	<b>TOTAL</b>
<b>Total no. of children</b>	103		153		76		18	350
<b>Gender-wise Break-up</b>	<b>Female</b>	<b>Male</b>	<b>Female</b>	<b>Male</b>	<b>Female</b>	<b>Male</b>	<b>Male</b>	
	42	61	73	80	32	44	18	<b>350</b>
<b>Total staff</b>	Care staff- 6  Management Staff- 4		Care staff- 7  Management Staff- 4		Care staff- 4  Management Staff- 2		1	<b>28</b>

The NCCs have a comprehensive nutrition and health component which adopts a holistic and comprehensive approach as regards service delivery. Carefully planned nutritious meals are served to children four to six times in a day. The health and medical services have a systematic process which includes a complete general health check-up, periodic follow-ups and an end-to-end support for management of specific medical conditions.

Over the past few years there has been a felt need for provision of both, day and night care center facilities to children whose mothers have migrated from the red-light areas to different suburbs in the city. These mothers solicit during the evening hours in the red-light areas and therefore do not feel comfortable leaving their children unattended at home. Therefore, a Day Care Center facility is being provided to such

children so as to ensure that they are protected and their education continues without any interruptions. Day care Centers are functioning in all the 3 NCCs of Prerana and following is an overview of children who are availing of this service –

	DCC 1 – KP		DCC 2 – FR		DCC 3 – VT		TOTAL
<b>Total no. of children</b>	63		134		55		252
<b>Gender-wise Break-up</b>	<b>Female</b>	<b>Male</b>	<b>Female</b>	<b>Male</b>	<b>Female</b>	<b>Male</b>	<b>TOTAL</b>
	26	37	71	63	25	30	<b>252</b>

#### **PRERANA'S EDUCATION SUPPORT PROGRAM (ESP)**

The ESP is an intervention that caters to a wide range of educational needs of children- be it curricular, co-curricular or extracurricular. Prerana team organizes study classes during the evening hours wherein teachers provide support to school/college going students in their studies and project work. Prerana also collaborates with other donors to provide educational scholarships for students who want to pursue advanced or professional degrees and to those students who have to pay school/tuition/extra coaching fees. This program is carried out at the Prerana NCCs through a dedicated team of social workers, teachers and other resource persons. Following are some important statistics of the program for the year 17 – 18:

	NCC 1 – KP	NCC 2 – FR	NCC 3 – VT	TOTAL
<b>No. of school admissions</b>	20	40	13	73
<b>Study class attendance</b>	79	129	47	255
<b>Balwadi attendance</b>	16	28	29	73

10 <sup>th</sup> Standard Results		12 <sup>th</sup> Standard results		Total	
Females	Males	Females	Males	Females	Males
8	13	10	4	18	17

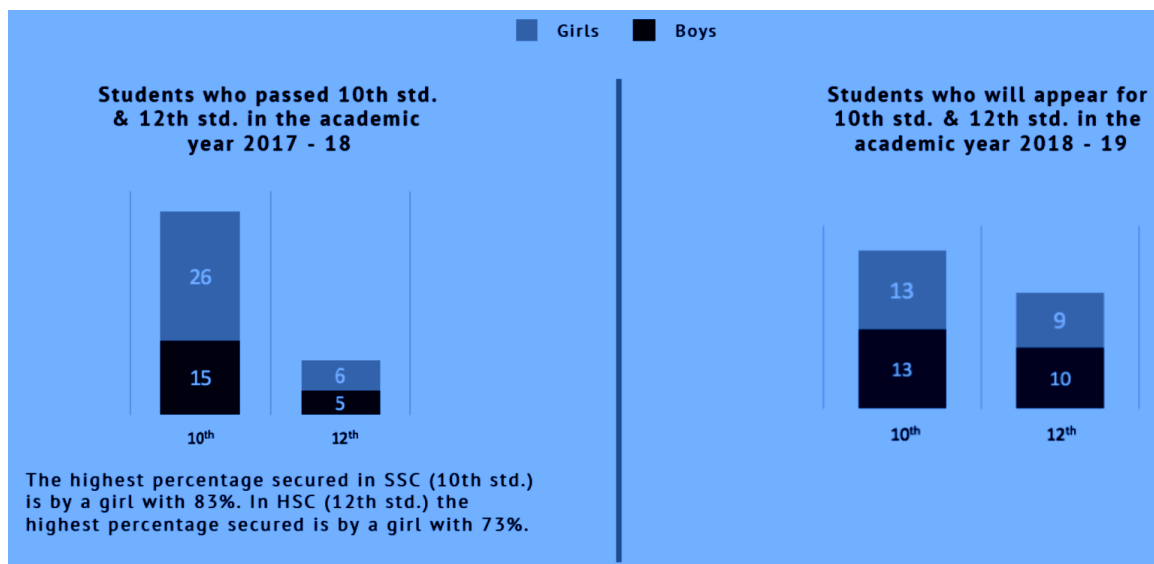

### **PRERANA'S INSTITUTIONAL PLACEMENT PROGRAM (IPP)**

The IPP was evolved through requests from mothers who felt that their children were not safe in the red-light areas and wanted to de-link their children from the red-light areas and place them in child care institutions for long term residential care, protection and development. What began as a need-based placement of children in child care institutions is now a structured intervention that involves collaborations with the juvenile justice system and other government mechanisms to ensure protection and rehabilitation of the vulnerable and at-risk children. Following table represents statistics of the IPP during the year 17 -1 8:

Children's Home Related			New Admissions		
No. of boarding homes visited	No. of children followed up	No. of new boarding homes identified	Females	Males	Total
40	200	5	14	9	23

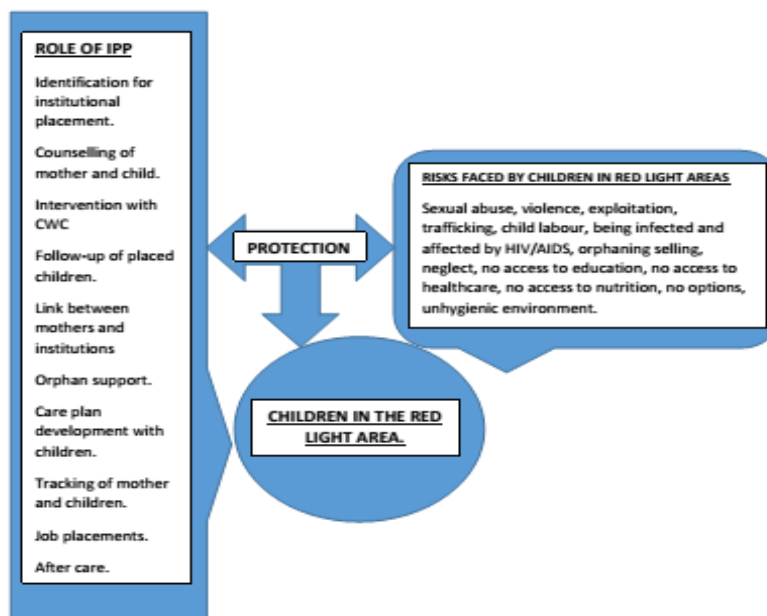

Following data represents the number of children placed in CCIs who passed 10<sup>th</sup> and 12<sup>th</sup> standard examinations. There is also a representation of data pertaining to the number of children who will be appearing for the exams in the academic year 2017-2018.

Following is a graphical representation of the IPP which will give an insight into the various components of the intervention.

## CHILD NOT DELINKED FROM MOTHER

## **NAUNIHAL**

To provide a nurturing space for children in need of safe shelter, Prerana set up Naunihal in October 2001. Naunihal home became a necessary addition to the Prerana ecosystem when conventional Child Care Institutions for children in need of care and protection were found refusing to admit children, specially to girl children in especially distressed and dangerous circumstances. In addition to a supportive loving environment that understands the needs of these children, the Naunihal home provides the girls with educational programs, medical check-ups, arranges meetings with the girls' mothers or guardians and provides additional recreational activities. Today Naunihal has girls in need of care and protection as defined in section 2(14) of the Juvenile Justice (Care and Protection) Act 2015. They are all admitted with the order of the Child Welfare Committee (CWC), Raigad district and are restored back to the family with the order of the CWC.

Following are statistics related to the girls who currently reside at Naunihal –

<b>New Admissions</b>	<b>POCSO Cases</b>	<b>Missing girls' Cases</b>	<b>Girls discharged</b>
28	09	07	34

### **Update of Activities Carried out at Naunihal**

#### **Educational and Vocational updated**

1.	Attending regular school
2.	Completed preparatory exams for First Year and Second Year from YCMOU (open university)
3.	Attended a school for the differently-abled
4.	Appeared for 10 <sup>th</sup> standard examinations
5.	Completed 11 <sup>th</sup> Grade
6.	Completed Graduation
7.	Completed basic computers course
8.	Attended spoken English classes
9.	Attended singing classes
10.	Attended functional skills training sessions at TCS*
11.	Members of Jadui Shakti (Magic Club)
12.	Undergoing training in jewelry making
13.	Attending fitness training classes

#### **Other activities conducted at Naunihal during this tenure**

1.	Residential Camp (for a week) by Vinimay Trust
2.	3 days Residential Camp to Panchgani for 3 days
3.	4 days Residential Camp by Our Children (a sponsorship Organization)
4.	Global Mentoring Walk
5.	Dance event by Our Children, Shanmukhanand Hall, Matunga
6.	Movie Outing
7.	A session on photography
8.	Dance Class
9.	Clown Theater activity
10.	Exposure visit to National Institute of Fashion Technology (NIFT) and Talwalkar Fitness Center
11.	Self Defense session by Martial Vout, Switzerland
12.	Exposure visit to US Consulate,
13.	Cycling at Nariman Point
14.	Picnic at Sinhgad (a fort)
15.	Fun Fair by Vinimay Trust
16.	Visit to Gurudwara and Church
17.	Dog Therapy session
18.	43 of Antarang Foundation's careeReady programs have been conducted
19.	Visit to Nehru Science Center
20.	Conscience choice of life partner
21.	Santoor playing event at NCPA
22.	Pro Run India Marathon at Kharghar 5 kms

### **PRERANA'S ANTI-TRAFFICKING CENTRE**

The ATC program comprises of work related to the anti-human trafficking issue. This program looks at building a knowledge hub on themes related to the issue and also on mentoring relevant stakeholders through hand-holding and sensitization sessions. The ATC program includes:

- POST RESCUE OPERATIONS intervention. It is carried out in collaboration with the government through the Children's Home where victims of trafficking are admitted post their rescue from exploitative situation,
- PEHEL which is an intervention that looks at After Care & Assisted Living services and
- SANMAAN that focusses on the issue of children in beggary.

The ATC also has other wings like COMMUNICATIONS, RESEARCH, DOCUMENTATION and ADVOCACY which incorporates campaigns through social media.

## **POST RESCUE OPERATIONS**

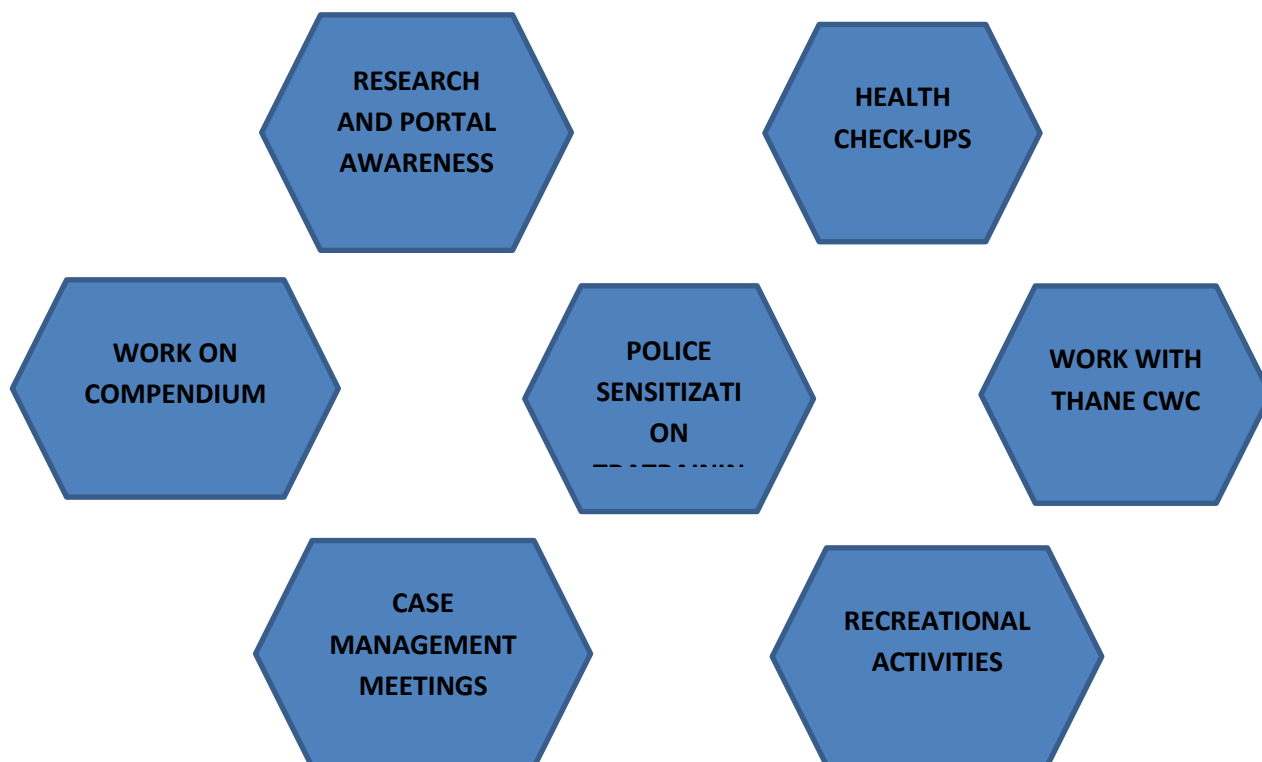

### **Casework**

Total no. of cases referred (since Jan 2016)	83
No. of live/active cases	18
No. of follow up visits (Home, Institutional, School, Medical)	115
<b>Legal Follow up</b>	
Representation in Courts	09
No. of CWC visits	66
Recreational Events at the Special Home	06

### **Networking and Collaboration**

1. Collaboration with organizations to conduct Special Investigations for rescued victims (Aarambh Bhopal, SCAN Goa, Childline Agra - Chetna, Childline Thane, etc.).
2. Desk Review at the Government Special Rehabilitation Home for Girls to look at the status of the Victims Compensation Scheme (Manodhairya).
3. Meeting with the Senior Officer of the Anti-Human Trafficking Unit, to discuss Prerana's work and possible partnerships.
4. Convergence meeting with NGOs working with Thane Child Welfare Committees.
5. Case Management meetings at the Government Special Rehabilitation Home for Girls for better NGO and staff collaborations for case management.

### **HIGHLIGHTS OF ATC**

## **PEHEL**

### **Case Intervention**

COMPONENTS	NUMBER OF GIRLS
No. of girls in institutions who received basic orientation on aftercare	52
No. of girls referred to other service providers through Prerana's intervention	4
No. of girls supported through Assisted Living Facilities	14
No. of girls phased out of Assisted Living Facilities	5

### **Update of PEHEL activities**

1. Prerana's experience was sought for two research projects being conducted around After-Care and State schemes for young orphans. Udayan Care, a Delhi based organization is conducting a research on "Challenges in current After-Care Programmes in India". Prerana's PeHEL project including a few beneficiaries were respondents to this research.
2. Created a forum for CSOs providing and facilitating After-Care on the issue of registration of After Care services in the state of Maharashtra. Representatives from the State agencies were also a part of this forum.
3. The project played a key role in providing inputs to the framing of State Rules on After Care under section 46 of the Juvenile Justice (Care and Protection) Act, 2015 by Maharashtra government.
4. Organized a networking event for girl alumni of Prerana's Aftercare programme.
5. Represented Prerana's understanding and experiences while working with youth care leavers at the 3rd Biennial International Conference on Evolving Trends in Alternative Care for Children in South Asia organized by Udayan Care.
6. Facebook panel discussion on 'Life Beyond Safe Walls'. Four girls between 18-23 years, who had exited CCIs and entered the phase of independent living shared their personal experiences, challenges, safety concerns and the transition process. The event was expected to set off a ripple effect amongst care leavers and reached out to about 2875 people on Facebook.

## SANMAAN

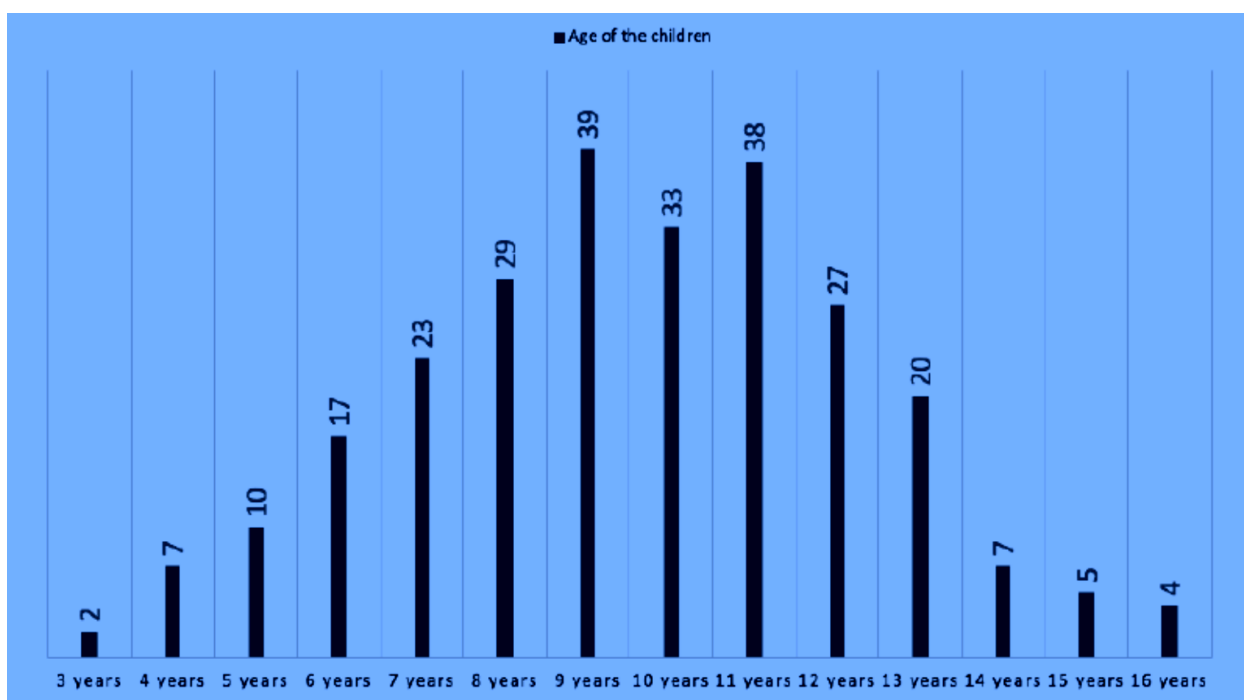

Sanmaan was an outcome of a commitment to protect the rights of children found in begging. Sanmaan has a three-pronged approach which is – Outreach/Rescue-Restoration-Rehabilitation/Collaboration-Advocacy. Sanmaan was started in January 2016. It started working in collaboration with CWC- Mankhurd in July 2016. The Outreach work is being done in collaboration with 4 police stations – Agripada, Nagpada, VP Road and DB Marg. Sanmaan is collaborating with – CCVC, Childline, DWCD and Mumbai Police for advocacy and networking.

Following is a statistical overview of children receiving services under the SANMAAN intervention during the reporting period –

Total number of children impacted by SANMAAN – **263** (from July 2016 to April 2018).

<b>No. of children referred by CWC</b>	68 children (38 girls & 30 boys)
<b>Social Investigation Reports submitted</b>	68 Reports
<b>Children restored to parents</b>	52 children
<b>Children placed in CCIs</b>	16 children
<b>Children reached out through outreach</b>	58 children (31 girls & 27 boys)

The following graph provides insight into the age of children referred to SANMAAN –

#### **Highlights of SANMAAN intervention**

1. On an average the team conducts monthly follow-up visits for 60 children per month through 36 visits.
2. On every 1<sup>st</sup> and 3<sup>rd</sup> Saturday the team visits AOH and NOH. Individual meetings with 15 children and 4 individual meetings with Probation Officers on an average every month (2 meetings per month).
3. Every Monday and Friday the team is placed where the sessions of CWC Mumbai Suburban are held in order to facilitate easy referrals.
4. The team began work with 3 communities – Ekveera Hotel (Ghansoli), Jay Ambe Nagar (Chembur) and Ramabai Nagar (Ghatkopar).
5. Community and Resource Mapping.

6. Training related to Special Investigation Report on 3<sup>rd</sup> August 2017 (3 annual trainings)
7. Convergence meeting with CWC on 8<sup>th</sup> November 2017 and 28<sup>th</sup> February 2018 (3 annual meetings)
8. Meeting regarding School Management Committee on 11<sup>th</sup> December 2017
9. Meeting with State Commission for Protection of Child Rights on 19<sup>th</sup> December 2017 and 7<sup>th</sup> March 2018 (3 annual networking meetings)
10. Developed a SOP for police to be followed for rescue of children.
11. Developed and operationalized Individual Care Plan format.
12. Outstation visits – Solapur (2 Ashramschoools, 2 educational institutions, 1 open shelter and Childline) – (3 annual visits).

### **PRERANA'S AARAMBH INDIA INITIATIVE**

Following is an overview of Aarambh's key engagements during the year –

1. Participated in the three meetings of the 'National Alliance to Curb Child Sexual Abuse on the internet' lead by the Union Ministry of Women & Child Development, Government of India.
2. Participated in the two rounds of Experts' Meeting for evolving the Asia-Pacific Regional Digital Citizenship Competency Framework, organized by UNESCO Bangkok & Google.
3. Presented the India Hotline at the Internet Watch Foundation Annual Report Launch at the House of Commons, UK.
4. Panelist in the discussion on '*Detecting and Removing Child Sexual Abuse Material. How is APAC Doing?*' Co-organized by ECPAT and INHOPE at the 8th Internet Governance Forum APAC 2017.
5. Resource organization to advice ECPACT India's proposed study on understanding the link between Sexual Exploitation of Children Online and Child Trafficking.

We continued to be on the ground with victims and families in their pursuit of justice and rehabilitation. Through our care & support program. We continued in-depth intervention in 19 cases. Apart from the intervention around rehabilitation the year saw the case proceedings being initiated in the Special courts. The program concentrated in providing support to the child victims and their families in the court procedures as we worked with the Special Courts and Public Prosecutors ensuring implementation of the Child Friendly procedures as prescribed under the POCSO Act.

In 2017, in partnership with the British Asian Trust, the initiative took another step in the process of scaling up our work to different states in India. The initiative evolved 'The Aarambh India Regional Alliance' (TARA) with the clear aim of building capacities of non-profits in strategic states across the country. 195 participants from 67 NGOs spread across 41 districts of the 3 states attended our trainings. Since the trainings it has been observed that most participants have adapted the training material to local contexts, conducted training and awareness sessions and initiated dialogue among communities. Collectively our partners have reached out to 16,961 stakeholders through more than 160 trainings across the three states. Throughout the year the team mentored the partner organizations on conducting awareness workshops in their communities and handling of cases. A WhatsApp broadcast list was created to disseminate key resources and updated information on the issue.

Through our Child Friendly Systems project in Mumbai, we continued to strengthen Government child protection systems in the city and provide rehabilitation support to victims and families. We digitized a total of 517 cases that were reported at the Child Welfare Committees (CWCs). This is the first time such

a database has been created in the State. We continued direct intervention and rehabilitation support in over 190 cases reported to the CWCs. The project also facilitated trainings and multi-stakeholder meetings throughout the year to ensure collaboration between various Governmental and non-governmental agencies working on the issue.

The National Resource Centre website saw a 55% of annual increase in the number of users (45,511). Based on the request from the National Commission for Protection of Child Rights, we developed a 'User's Manual on Protection of Children from Sexual Offences Act, 2012'. The materials from the National resource center were extensively used in the manual that was published in September 2017. The year saw us generating a lot of new content and translating key resources into regional languages. Three new pages including a page in Hindi and Marathi were created on the National Resource Centre. 724 reports were made to our Internet hotline to report child sexual abuse imagery. Of these reports 75 were identified as positive. These reports were acted upon by our partners Internet Watch Foundation, wherein the images and videos were taken down in a swift manner and the URLs were put in the blocking list circulated worldwide. Throughout the year, in partnership with IWF we worked with the Government for mainstreaming the process of blocking. As a result of this, in April 2017, the Ministry of Electronics and Information Technology (MEITY) issued a Government Order to all the Internet Service Providers in the country to subscribe to the IWF blocking list of URLs.

Google partnered with us as part of their 'YouTube Trusted Flagger' program in India. Aarambh was requested to specifically look into content that includes child sexual abuse material and videos depicting children in a sexually explicit manner.

On 14<sup>th</sup> of November 2017, Children's Day, we received the National Award for Child Welfare (in the Category of 'Institutions') from the President of India, Ram Nath Kovind. The citation for the award highlights our work on the Online National Resource Centre, the Internet Hotline - both being the first of their kind in the country- as well as our on-ground work with child victims of sexual offences and their families.

## COMMUNICATIONS AT PRERANA

Following is a presentation of activities taken up and completed under the Communications component:

### Social Media

<b>Average reach during the period:</b>	886 (vs 475 a year-ago)
<b>Total page followers:</b>	March 1, 2017: 2,489 April 30, 2018: 2990
<b>Total no. of page likes:</b>	Mar 1, 2017: 2,539 April 30, 2018: 3007

<b>Impressions:</b>	179.6k
<b>Total no. of tweets:</b>	138

<b>Total no. of Posts:</b>	109
----------------------------	-----

### ATC Portal

1. Work on developing the knowledge hub sections such as FAQs, ATC originals.
2. Round table meeting on improving the portal delivery and effectiveness.
3. Work on the layout of the website
4. Updating of sliders and photos
5. Adding menus and sub-menus such as News and Views, supply chain, etc.
6. Linking the site with social media features such as Facebook, Twitter and YouTube
7. Active media section with audios, videos and posters.
8. Branding of website and new ATC logo created.
9. Introduction of portal on various global platforms.
10. Expanded material reach across social media platforms.
11. Uploaded visual resources on YouTube channel
12. Created a strong database with a mailing list of 3000.

<b>Hits:</b>	<b>1,15,214</b>
<b>Unique visitors:</b>	<b>33,088</b>

### **Campaigns Initiated**

1. Girl Child campaign – October 2017
2. 16 Days of Activism – November 25<sup>th</sup> to December 10<sup>th</sup>
3. Facebook Live on “Life Beyond Safe Walls’

### **RESEARCH**

Following is an overview of the research and publications activities–

1. Four Years of POCSOA: Unfolding of the POCSOA in the State of Maharashtra
2. After Care – Intervention in a Neglected Post-Institutional Domain
3. Handbook of Minimum Standards of Care
4. In Search of New Legislation
5. Behavior Modification at Prerana
6. Assessment of Education Support Program – June 2018
7. The Situation of Child Trafficking in the States of Andhra Pradesh and Telangana
8. Dechert TrustLaw – Provision of Mandatory Reporting
9. IPC Section 370 and its relevance post amendment
10. Devadasi – a study tour and understanding the customary religious practice
11. Bediya and Natt – study tour to understand community-based prostitution

### **ADVOCACY & TRAINING**

1. Training of police and CWC members
2. Capacity building/training of an organization in Kolhapur – Sangli Mission Trust
3. Campaign on analyzing the Trafficking in Persons Bill, 2018
4. Analyzing the proposal of introducing a public sex offenders registry, consultation with IJM
5. Attended a consultation by MWCD in October effectively raised concerns in a larger group post the meeting
6. Manodhairya – state victim assistance scheme for victims of sexual assault, inclusion of trafficking victims.

## **MONITORING AND EVALUATION AT PRERANA**

### **Highlights of the Year**

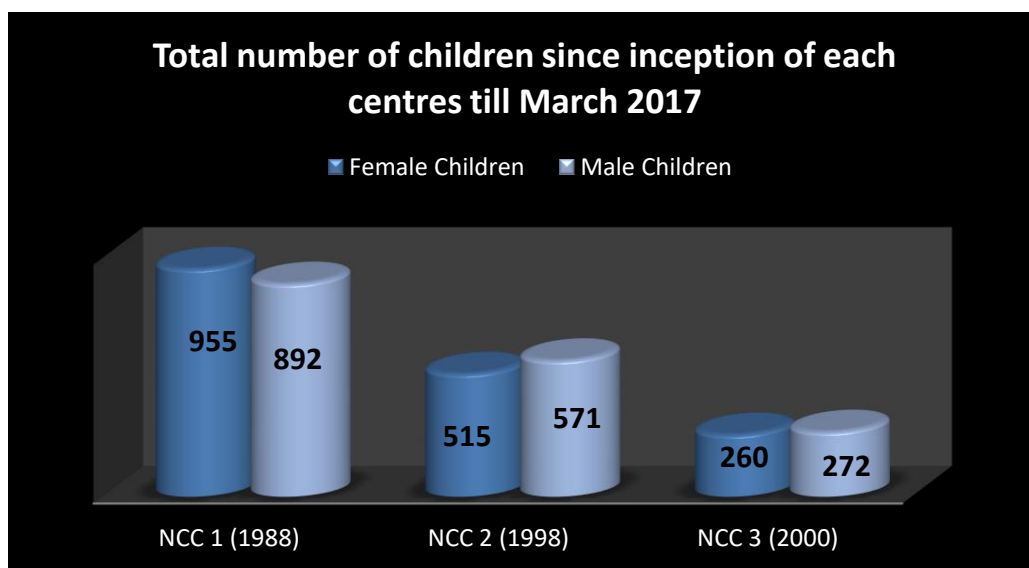

1. Technical support meetings with the core team
2. M&E trainings/capacity building workshops with all the project team members
3. Safety audits at NCCs and Naunihal
4. Surprise monitoring of Programs at all the service provision centres.
5. Child tracking exercise with NCC and ESP staff
6. Addressing child protection concerns at each center
7. Anthropometry study with 60 children (20 each from 3 NCC)
8. Study tour to New Delhi to visit organizations with M&E systems in place
9. Data management – adopting CRM tool with PRO and SANMAAN (to being with)
10. Program reviews

### Evaluation Assessments and Protocol

1. Assessment discussions with children during the meetings of the Children's Collectives
2. Assessment of the Report on the Education Support Program
3. Behaviour Modification Protocol
4. Document sharing the impact – 10<sup>th</sup> and 12<sup>th</sup> standard academic year 2017-2018
5. Reviewing protocols with team.

### Historical Data Representation

## Children placed under the Institutional Placement Program from 2010 to 2017

## NUMBER OF CHILDREN ADMITTED IN SCHOOL AND ATTENDING STUDY CLASS IN RESPECTIVE YEARS:

### Administrative Updates

- Prerana conducted two review meetings with project staff on Child Protection Policy. Recommendations on the policy by the team members were gathered. The policy is up for review in the next year.

- Prerana has formed four different committees under the Prevention of Sexual Harassment of Women at Workplace Act 2013. This year the committees met once to finalise the Prevention of Sexual Harassment Policy and is planning to conduct a training on the same in the next year.

## **A SNAPSHOT OF THE YEAR GONE BY**

Following is an overview of the activities that took place during the year 2017-2018 –

<b>APRIL 2017</b>	<b>MAY 2017</b>	<b>JUNE 2017</b>
<p>From 15<sup>th</sup> April onward the month-long Summer Camp commenced.</p> <p>Various activities were planned and conducted such as games, competitions and other sessions.</p> <p>On 15<sup>th</sup> a career session was conducted. Ms. Rajashree Barsingh, a Special Educator was invited to facilitate the session. Ms. Barsingh works with children who are blind and deaf. 27 children attended this session.</p> <p>3 life skills sessions were conducted during this month. On an average 12 children participated in these sessions.</p> <p>3 health sessions were conducted during the month (one at each NCC). The topic was 'precautions to be taken during the summer season'.</p> <p>M&amp;E technical support meeting facilitated by Mr. Shankar Talwar.</p> <p>22 team members attended a safety training conducted by Jyoti Fire Services.</p>	<p>The summer camp activities continued to take place during this month.</p> <p>On 1<sup>st</sup> May the balwadi results were declared. 10 children received certificates.</p> <p>Ekta Group meeting was conducted on 11<sup>th</sup> and 26<sup>th</sup> May.</p> <p>6 life skills sessions were conducted during the month. Average attendance in these sessions was 12 children.</p> <p>On 24<sup>th</sup> May a health session was conducted in the NCCs. The topic was Habits for Good Health.</p> <p>17 team members attended a training on STATA. This was organized at SNEHA office and was conducted by a SNEHA staff.</p> <p>Migration visits were conducted at Nalasopara, Kalwa, Malad, Raey Road and Ahmednagar. 23 children were followed up with.</p> <p>A three days residential camp was organized by Jackson Hospitality at Phaltan located in Satara district. The camp dated from 18<sup>th</sup> May to 20<sup>th</sup> May 2017. In all 31 girl children in the age group of 12 to 15 yrs</p>	<p>6 life skills sessions were conducted during the month.</p> <p>19 children attended the Science Club activity which was held on the 28<sup>th</sup> of June.</p> <p>Health session was conducted on the 14<sup>th</sup> June. 28 children attended the session. The topic was to generate awareness about Leprosy.</p> <p>7 Frisbee sessions were conducted with 35 children. The sessions were facilitated by Prabhu from Down to Earth organization.</p> <p>Ekta Gath and Little Star meetings were conducted on 20<sup>th</sup> June. 42 children attended these meetings and discussed their concerns and gave feedback on the summer camp activities.</p> <p>2 puppet shows were conducted during the month. One was to show the importance of not being absent from school and the other was to encourage children to spread awareness amongst their friends regarding the importance of education and going to school.</p>

<p>21 mothers attended the monthly mothers' meeting. The discussion was based on children coming home for vacations during summer holidays.</p> <p>The team attended a meeting organized by MCPCR, in Worli.</p> <p>Migration visits to Ghatkopar, Nalasopara and Sion for tracking and follow-up of children and mothers. 25 children were followed up with.</p> <p>Monthly team meeting was conducted on 14<sup>th</sup> April.</p> <p>Ms. Priti Patkar was invited to be on a panel and speak on Child Protection in schools with focus on POCSO Act on 25<sup>th</sup> April by Nrityanjali Education Services Open Forum for Principal's Annual meet.</p> <p>Ms. Priti Patkar was invited to participate as a resource person in the 3<sup>rd</sup> round of conferences on the Juvenile Justice Act implementation on 22-23<sup>rd</sup> April in Ahmedabad in Gujarat by UNICEF.</p> <p>Prerana celebrated the Health Worker's Week from 2<sup>nd</sup> to 6<sup>th</sup> April by honouring the incredible work that the Health Workers have been doing in the red-light areas since the past decade. This campaign was running on Prerana's Facebook page in collaboration with Frontline Health Workers Coalition.</p>	<p>accompanied by 4 staff members participated in the camp. The girls were from Falkland Road Centre, Kamathipura Centre and Naunihal Shelter facility. The purpose of the camp was that the children get an exposure to a career option in hospitality.</p> <p>Ms. Priti Patkar was invited to participate as a resource person in the 4<sup>th</sup> round of conferences on the Juvenile Justice Act implementation on 4<sup>th</sup> May in Jaipur, Rajasthan by UNICEF which has been working on with the Supreme Court Committee on JJ and respective High Court Committees.</p> <p>On 29<sup>th</sup> May Prerana conducted a training program for the Haryana CWC and DCPU.</p> <p>Prerana team members attended workshops organized by Safe Horizon and Building Smart Kids.</p> <p>Prerana ran a Mother's Day campaign on the Facebook page during the month of May. Messages from the children in institutions to their mothers were captured.</p> <p>Prerana Anti-Human Trafficking and <a href="#">Safecity</a> co-hosted the <a href="#">VitalVoicesMentoringWalk</a> in Mumbai on 10<sup>th</sup> May, 2017. A group of women from across different sectors spent time with the future women leaders. Around 15 girls from Prerana participated as mentees for this program. Through Prerana's diverse network, 10 mentors</p>	<p>On 14<sup>th</sup> June 80 children participated in the summer camp party. This party is a culmination of the summer camp activities.</p> <p>28 children participated in the Peer Group session.
